Hare(s): Humiditties & Cum See My Box

Location: Bower Mall

Prelude: Moxies

On On: Toad & Turtle

Scribe: Pucker Sucker

What a beauty night for a run, the beach was sandy in Zihuatanejo where I was to meet with my friend Andy, you see, I just got out of prison, Oh wait... that's The Shawshank Redemption. **Sir Nookie** and **Restricted Entry** came down from their house that they had tied thousands of colourful balloons on to make it fly, Oh wait... that's Up.

Our RA **Cum Honour** donned his wings and mask and flew mid circle to exclaim "I'm Batman" Oh wait... that's Batman. There was a Virgin this night called **Irena** who was 40 and worked at an electronic store and still hadn't done the Intercourse, Oh wait... that's The 40 Year Old Virgin.

**Don't Know Dick** was a little wobbly, she had new legs that she traded her voice for from a wicked Sea Witch so she could meet a handsome prince, Oh wait... that's The Little Mermaid.

Our Hares **Humiditties** and **Cum See My Box** we're called into circle with some fancy AF flour and they proceeded to sing our way to Trail, you see they compete in an all girls misfit acapella group called the Bella Donnas, Oh wait... that's Pitch Perfect.

And off we ran into the bush, **Chips** had painted his face half blue and was screaming with his sword something about freedom, Oh wait... that's Braveheart.

**Sir Cums** and **Crash** were given the task of taking an Evil ring to be cast into the fires of Mordor, while **Wet Spot** guided them and chanted "My Precious", Oh wait... that's The Lord of the Rings.

I never noticed the lightning bolt scar on **Hymen** before, she had also picked up a rather odd stick from the woods and was pointing it at other hashers yelling "Expelliarmus!", Oh wait... that's Harry Potter.

**Broken Boner** and **Curb Crawler** kept yelling at each other to Party On as they ran, they have remained close since their Local Cable Television Program "Wayne's World" was on cable access channel 10. Oh wait... that's Wayne's World.

**Slippery When Wet** ran with **Moby Dick**, She kept insisting she saw Dead People while **Moby** tried to counsel her and he didn't even know he was Dead himself! Oh wait... that's The Sixth Sense.

**Whore Slayer** was on a quest to find a man with six fingers whom he claims killed his father, he wouldn't stop chanting "My Name is Inigo Montoya, you killed my father, prepare to Die." Oh wait... that's The Princess Bride.

**Wrecked Anal** walked along in the bush scouting with his high powered rifle, but **Dripping Wet Gap** crept up on him while **Liquor Snatch** kept him distracted, Clever Girl. Oh wait... that's Jurassic Park.

We met **Wee** and **Preemie** at the Hash Hold, they had found an Excellent red telephone booth that sent them back in time to meet the most gnarly historical figures, Oh wait... that's Bill and Teds Excellent Adventure.

Anyway, back at circle up, I met my friend Andy again, he crawled through a river of shit and came out clean on the other side, Oh wait... that's The Shawshank Redemption again.

*On On, Pucker!*
