What a great day for a run!!!!

Don't know Dick, Slippery When Wet, Curb Crawler, Chips A Whore and myself met up at Chillabongs for prelube where we enjoyed a cold drink, popcorn and wonderful conversation. After paying our bills we said our good byes to **Curb** and off to the run we went where we met up with **Cum See My Box, Hymen Trouble, Wee Little Bladder, Whore Slayer** and our hares for the night **Stickhandler** and **Sir Cums A Lot**.

Ten mins past 7 and still no sign that our RA so yours truly stepped in and became honorary RA for the evening. (This was my first experience as RA.)

After **Stickhandler** showed us the smallest rendition of how trail was set we took off in search of trail. It was a beautiful evening for a run and trail was wonderfully marked. Even the mosquitos stayed away!!!

Back at circle up rewards and punishments were given out to everyone in the group. **Hymen** and **Sir Cums** were so excited that we had 69 hashers signed up for the 1000 run weekend that they decided to do their down downs as if they were doing 69. (Thanks for the pictures WS)

The ON ON was at East 40th where we laughed and continued to have a great time.

I am thankful to everyone who came out and contributed to such a positive and fun atmosphere.

(and for not being too hard on the stand in RA ☺)
