## Run # 1011- July 12, 2018

**Hare(s):** Deep Throat

**Location:** Bower Community Centre

**Prelube:** Fion McCools

**On On:** JJ's Bar & Grill

**Scribe:** Pucker Sucker

Sooo, I go to check where the run start is and I read "Bower... yadda yadda yadda", alllllllrighty then, summer run at Bower Ponds, neat stuff. Well, turns out the "yadda yadda yadda" part was a smidgen' important, as it actually read "Bower Community Centre".. Yeeeeaaaaah, I'm Pucked.

I burn out of Bower Ponds like a turd in the shoot after a night of nachos n' nukes and head to where the actual run start pinpoint is. When I finally do arrive at the proper coordinates, there is nay a Hare nor Hasher to be found, I got my sniffer ready but didn't have to use it as there were some nifty white flour marks left behind. I then hitch up my britches and prepare to play with myself and when that was done, I went and found trail, and it went something like this...

```
***** O ..... ***** O
..... ***** f ***** X $#@%!
..... O ***** -> *****
* O ..... ***** f ***** O ..... *****
***** HH :)
```

...eventually I burst into a group of happy hashers drinking their favorite golden liquid and munching their favorite solids behind JJ's bar and grill. We had a lovely reunion full of hugs and How's your Fathers.

Back at the circle up, Don't Know Dick was the Marge in Charge (DONT KNOW for RA 2019!!!!). The campaign had started marvelously; long lost Mooseknuckle brought a Virgin (Kim) who graciously let him drink out of her (Shoe, ya perverts!!!) and she gave out twerking lessons on the side. The runners where all punished for not marking the checks and some other drinky drinks were poured and punished. All in all, I give this run 2 Deep Throat horny thumbs Up!
