DEER DROPPINGS

Run # 1016- Aug. 16th, 2018
Hare(s): Slippery When Wet & Crash Test
Rummy & Sir Nookey 69
Location: Westpark Elementary
Prelube: The Crossing
On On: OJ's
Scribe: Chips a Whore

A Smoky Night, a brilliant night. A night to go hash

Prelube at The Crossing, I get my beer, pay my cash.

Slippery has asked us to wear a toga for Augustus Caesar Run

Dripping Wet Gap showed up at the prelube of course wearing one.

Joined at the prelube by **Deep, Slippery and Cum Liquor Snatch.**

Later arrive **Sir Cums, Sir Nookie, Hummiittitties** and even **Crash.**

The run started in West Park the trip there was quite quick.

Our lazy RA got a new job and didn't show tonight ...that prick!

I was asked to fill in and of course why the fuck not

Slippery told me she had instructions to tell everyone and that it would be a lot.

She gave us clothespins with stars on them, they were kinda cool

Reminded me of the stars I use to get when I was in school.

We were to look for our match; so later we could assassinate

Also make people say “our word”. The concept was great

Off we went on trail, some ran and some walked.

Immediately people's target word made everyone talk

It sparked a lot of conversation which was great to hear and why not

Whore Sleigher kept trying to make me say his word which I knew was “Hot”

We lost **Pucker** and **Cum Liquor** our paths they did part

They found us much later when our search was about to start

Some deep conversations on the run could be heard

But they ended abruptly once you said that persons target word

At the end of the run we were to find our match and bring the pain

“If you want the rainbow, you have to deal with the rain”

Hitting them with water balloons a water fight ensued

Then hash hold announced and there's beer and there's food

Sir Nookies car alarm kept going off his horn was a pain

Annoying as fuck it kept going off again and again

I got to say there were many punishments tonight so ill name just a few.

Whore Sleigher's hobo costume and foamy beer got him two

Premies birthday again he is getting old as shit

He was given a shot from between **Deep throats** tits

Don't Know was complaining about **Crash** stealing a coin

When people talk while im talking its like a kick in the groin

It is quite rude its not the first one ive seen

Who knows, **Don't Know** may soon know what I mean ;)

We brought her in on her knees to make an example of note

Crash grabbed a down down and poured down her throat

Nookie for his car alarm we will always remember

By the way his 90th birthday is coming up in November

Drippy and Slippery were brought in can you believe

I asked the circle and they thumbs up for the sleeve

We head off to ON ON at Original Joes

Some still wore their Togas some changed back into their clothes

Thank you **Slippery** for the time you put into this run

I could tell by the chatter and smiles that everyone had a lot of fun
