Doggy's Boner Run Wagon Wheel Tune

We all circled up at the land of the pines

Oh no it wasn't, it was Timberland

Doggy asked me to scribe for a pack of black liquorice

The runners set off into the night

Boner was the hare which is such a fright

We probably won't see them again until midnight

So run **Humidititties**, Run **Drippy**,

Run **Broken Boner**, Run **Willy**

Run, run into the full moon

Titties and **Drippy** soon stopped for a pee

Then they dropped their pants and mooned their
fannies

It was indeed a full dog moon

Don't Know Dick saw all of this

Then decided, she too needed a piss

She swung and hung onto the pipes for dear life

The walking hare **Doggy** carried the swill on his back

Liquor Snatch helped and also carried a pack

She did it because she thought **Boner's** Run would be
too long.....so she walked!!!

We walked through the alleys that were so dark

We walked all around College Park

Miss Dazey and **Liquor Snatch** led the pack, but we
had to call them back

The **Capt'n's** going to Hawaii, he's such a whore

And **Ryan** isn't a virgin anymore

Because he'd already cum once before

While we waited for the runners we built up quite a
thirst

Then **Drippy** and **Willy** raced to see who would be
first

Surely they'll be punished when we get back

And they'll get what they deserve

Not only were they punished but at Camp U **Willy**
fucked up

He ran around the fire wearing nothing but a cup

So **Don't Know Dick** named him “**Dick See Cup**”

So run **Humidititties**, Run **Drippy**

Run **Broken Boner**, Run **Dick See**

Run, Run to the Hash Hold

Walk **Doggy**, **Miss Dazey** and **Wee**

Walk **Ryan**, **Liquor Snatch** & **DKD**

And walk **Capt'n** Piss Up who's fucking off to
Hawaii. (Repeat last verse)
