Stand in the Way of a Good Story”

Run # 1031- Nov. 29th, 2018

Hare(s): Whore Sleigher

Location: Coop parking lot- downtown

Prelube: Murph's

On On: Murph's

Scribe: Slippery When Wet

I woke up this morning trying to recall who the scribe was. Then I remembered a rambunctious game of spin the bottle and it all came crashing back to me. I will try to recollect the evening that happened so long ago that was clouded with cold medicine, bad wine and age.

I arrived at Prelube with the usual's. **Curb** and **Boner** were boring **Chips** with stories of fishing or politics or the politics of fishing. A little leprechaun came over and told them to calm down. Soon after I arrived **Drippy** came in looking for a stiff one. She had just flown in from Mexico so she was very tired. **Don't know Dick**, **Cum Honour** and **Cum Liquor Snatch** arrived next. **Cum Honour** showed us magic tricks while **Liquor Snatch** rolled her eyes. **Pucker Sucker** appeared out of nowhere just in time to watch us pay our bills. She said she wasn't going to come but her Horoscope said now was not the time to be a homebody. She had to step into the cold to experience some of that sizzle. What?

The circle looked promising as **Wee**, **Daizy**, **Titties**, **Mobey**, **Cum See** and the Hare; **Whore Sleigher** showed up. **Drippy** our Co RA took the reins and lead us in our opening circle. But soon after **Whore Sleigher** told the group about the markings the runners took off and were never seen again.

The walkers outnumbered the runners 8 to 6. Not including the flying monkeys we were a lucky 13 plus 1. **Mobey** was also on cold medicine so he was our walking Hare. He took us on a magically short walk.

The map of Red Deer confused him so we just headed to the hash hold. While there we ate, drank and listened to a review of top 80's hits sung by **Drippy**, **DNK** and **Pucker**.

The runners got terribly lost and arrived just in time to head back in. That's what happens when you buy your run on Craig's list, **Sleighter**. Next time set your own.

During circle up I think there were some punishments, rewards, and announcements because that is what usually happens. Something about a Christmas Party this Friday too!!
