Merry Chipsmas

Prelube was packed. I thought maybe Canada was going to boycott the Quebec beer so everyone was trying to get them in quick before they disappeared. It was going to be a good turnout. I was instructed by Drippy to take pictures of everyone who attended so she could do the hash cash while not attending the run.

The hare was Wet Spot. She seemed quite nervous as **Cum Honor** nor **Cum Licker Snatch** were able to help her set trail. Most hashers “knew” we would end up at their house so their compass often led them that direction when at checking marks. We ran through some dense bush some really great trails and we realized quite soon that Wet Spot set trail much better when not relying on **Cum Honor**. Low and behold we did not end the run at their house but at the skating rink where a plethora of goods was to be had including a weird hybrid of red licorice (although it was delightful) We headed back in to circle up where hashers were punished and we were joined by Santa himself and was asking for lap dances.

Don't Know Dick promptly sat down and asked for the ability to remember hashers real names

Slippery When Wet sat down and asked for World Peace

Curb Crawler asked for a Coors Light

Cum Honor sat down and asked to be treated like a bad little boy??

Cum See My Box sat down and asked for a no beer - down down

Broken Boner sat down and asked for someone else to check the fucking checkings

Doggy Style sat down and asked for plaid to come back into style

Humitittities sat down and asked that no one would notice she stretches before every run.

Cum Liquor Snatch sat down and wished for paralyzers to go on sale for happy hour.

Once we were done Santa stood back up and pulled up his pants up from his ankles and said he would see us at the ONON. We never did see him again albeit he is a busy man. A great time was had at the ONON and the food and drink were great as always at JD's.

I left the ONON and approached my vehicle and noticed a business card on my window under my wiper blade. I took the card and brought it back into JD's, with a stitch if scotch tape and placed it in the men's washroom stall and wrote “FOR A GOOD TIME CALL” Think of this as my gift to you all this Christmas if you're looking for a good time!

Merry Christmas ALL
