Hare(s): Doggie Style

Location: Gardent Heights

Prelube: : Canadian Brew House

On On: Canadian Brew House

Scribe: Dripping Wet Gap

The evening started out great with a prelube of 7. (Curb, Doggie, Don't know, Ryan, Chips, Slippery and myself; Dripping Wet Gap) at The Brew house then Off to circle up we went where we were joined by a few more hashers Cum See ,Pucker, Humidittities, Wee and Mobeys.

We were reminded that just because it's winter we can still break trail as we went through the trees and up and down hills. There were too many people who fell to list them all. (You know who you are 😊) however, only one of those people tried to leave their mark and provide light for the wild life that would continue to use the trail after we were done with it. Doggie made sure at Hash hold we had the most amazing view of the stars.

Back at circle up there were punishments and rewards given out and I'm sure everyone deserved what they got except me, I was and still am innocent of all charges.

At the On on I heard that there was topless table dancing, karaoke and lots of laughs. Sorry I missed it.

Prayer

Our beer,
Which art in barrels,
Hallowed be thy drink,
Thy will be drunk, (I will be drunk),
At home as I am in the tavern.
Give us this day our foamy head,
And forgive us our spillages,
As we forgive those who spill against us,
And lead us not into incarceration,
But deliver us from hangovers,
For thine is the beer,
The bitter, and the lager,
Forever and ever...

Barme

song

It's a Small Dick

Well.....It's not too long and it's not too
thick

It gets hard too slow and it cums too quick

It gets lost in her twat

But it's all that he's got,

It's a small dick after all

(if it's really cold, skip chorus and go
straight to "drink it down down down")

It's a small dick after all,

It's a small dick after all,

It's a small dick after all,

It's a small dick after all,
