A robust turn out of walkers, **Capt'n, Wee, DKD, Lady Cum See**, Runners included **Cum Honour, Chips, Boner, Mobey, TNT, Whore Sleigher, Wet Spot**, and **Slippery** (sorry if I missed people) a great turn out for a run of interesting tales – so interesting I will have to show rather than tell.

Walkers found alternative transportation

Circle up

The kids never had sex swings to play with when I was young!!

We got tired of waiting and **Wee** happen to know of this great man cave in the neighborhood that he thought would be a good hideout. So off we wondered – we have no idea where the runners were as we couldn't see or hear them anywhere. So we carry on and come to this amazing hideout, it had live music that plays Tuesday nights, a help yourself beer fridge, munchies set out, even hot beverages if wanted.

The walkers were making ourselves at home when we heard a clatter from the roof? But as it turns out it was from the second floor!

Not the runners as we thought but a highly sophisticated technical development of beer shoot! Wow this guy had it all figured out!

The runners showed up, conversations were had, then, back to

Punishments, and rewards given out.. then onto East 40<sup>th</sup> for On ON.

Birthday shots for **Mobey & Cum Honor**
