“Never Let the Truth or Libel Laws
Stand in the Way of a Good Story”

Run # 1049- Apr 4th, 2019

Hare(s): Deep Throat

Location: West Park Middle school

Prelube: : Bo's

On On: East 40

Scribe: Titties and Tassels (aka TNT)

I arrived at prelube to discussions of peckers, balls, nut sacks and scabies. Not sure whose balls had scabies, but I won't disclose the prelube attendees to protect both the innocent and the guilty! You can tell it's going to be a fun night when the discussion at prelube is x rated!

And the run itself turned out to be no different. Everyone was fixated on other people balls. I clearly missed the memo. **Mobey** was excited to describe **Wee's** low hanging balls. One night some years ago, **Wee** stepped over **Mobey**, and **Wee's** balls and **Mobey's** nose were a near miss. Why they were sleeping in such close proximity to each other stark naked remains a mystery, but one can only imagine! Or perhaps we don't want to. **Don't Know Dick** and **Sir Cums** were in the forest for an awfully long time, and someone suggested she was having trouble helping him locate his balls. **Mobey** and I witnessed **Pucker** dumpster-diving. We're all aware of her pecker obsession, so perhaps she lost something of the pecker-related variety in that trash bin? Even **Head First** shared stories of hairy balls and wet pussies. Holy Hannah, conversations tonight were not for the prudish!

Deep Throat and **Drippy** set an amazing run through the RDC forest in which we had to dodge wayward branches and leap moose turds. There weren't many

false trails, but **Crash** found every single one of them! Way to take one for the Team **Crash**!

Back at Circle Up, **Sir Cums** thought it was funny to throw beer! Don't we punish people for actions such as this obvious display of alcohol abuse?! I demand restitution! On wait, it happened! At On On, no sooner had **Sir Cums** received his beverage, yet to take a sip, and proceeded to spill the entire contents onto – you guessed it – his balls! Karma! On On was such an amazing time, my sides still hurt from laughing so hard! The server told us we sounded like hyenas, I sense he didn't intend it as a compliment. **Crash** ordered a pickle pizza and then sent it back because it had too many pickles, and **DKD** was infatuated with the “girth” of her lasagna. I didn't know lasagna had girth – has it been a while **DKD**??!!

Great Trail **Deep** and **Drippy**. What a fun night ☺

And...since it's Thursday noon, and I'm late submitting the scribe (sorry **Slippery** ☺), we get to do it all again in about 6 hours! See you soon!

Run #1070 29-Aug Curb Crawler

(Lord's Prayer)

Our beer,
Which art in barrels,
Hallowed be thy drink,
Thy will be drunk, (I will be drunk),
At home as I am in the tavern.
Give us this day our foamy head,
And forgive us our spillages,
As we forgive those who spill against us,
And lead us not into incarceration,
But deliver us from hangovers,
For thine is the beer,
The bitter, and the lager,
Forever and ever...

Barmen.
