Hare(s): Come Liquor Snatch

Location: JD's

Prelube: : JD's

On On JD's

Scribe: Slippery When Wet

Since the warmer weather is upon us we're getting more hashers out. Of course when **Come liquor Snatch** is the hare you also get **Wet Spot** and **Cum Honour** as well. They are a packaged deal!

Wee Little Bladder, **Lady Cum See My Box**, and **Don't know Dick** were the only walkers out this week. As well as **Snatch**, **Spot** and **Honour** the other runners were **TNT**, **Chips**, **Curb**, **Boner**, **Crash** and myself. A surprise visit from **Mobey** at the hash hold had us wondering if he really doesn't have a life.

Jd's is a great spot to meet. No one seems to care what you do in that parking lot. As we circled up I silently counted the runners; 7 maybe 8 depending on how Curb feels. Curb felt ok so I decided there were enough runners to run. It was a good run. There were lots of hills, soft paths and checks to keep us together.

When we started there was still a breeze which kept the mosquitoes away but when we got into the trees they feasted on us. Note to self *bring bug spray next time!

We didn't see the walkers which leads me to believe they went back into JD's to have another beer and then leisured walked over to the hash hold just in time. Prove me wrong.

We did have a nice surprise visitor from **Sir Mobey of Dickus**. He somehow found us just as we were

arriving at the hash hold. hmmm? Does he have stalking abilities? Always be careful of the quiet ones. **Come Liquor Snatch** generously gave him a beer as she purposely bought Pilsner for him. As it turns out he phoned **Boner** on trail and then punished him during circle up. Diabolical

Like I said before you can do anything in the JD's parking lot but we still moved towards the center of the lot just in case. Just as suspected, not one looked our way. Punishments, songs and lots of laughs later we headed back into the pub.

We had so much fun laughing about nothing. That might be just me but that's ok!
