Hare(s): Urine In My Way & Drippy

Location: Mackenzie Trails

Prelube: : JD's

On On JD's

Scribe: Don't Know Dick

Awe its finally Thursday again and Prelube is finally here! **Chips, Drippy, Curb, Mobey** were already there quenching their thirst when I arrived – I had some catching up to do. Thank god **Crash** and **Sir Cums** showed up to fill the table. Now we were well lubricated it was off to find the trail head – head who said head? I'll have some of that.....sorry got distracted

Anyway we arrived at Mackenzie Trails and found our Hare **Urine, TNT,** and **Wee** all waiting to play.

So this little hasher went following a trail

And this little hasher lost it

This little hasher yelled onon

And this little hasher yelled none

This little hasher found X's

And this little hasher found checks

These two little hashers took a shortcut

And this little hasher found the HH route late

And these 4 little hashers were the braves and smartest of all because they survived the mosquitos and found the HH first!

Once we were all together again we celebrated with cold libations and melodic chants. Some bad little hashers had to get disciplined! And one dirt little hasher came out to play 600 times without cleaning up so he had to get new clothes and then a good shower from all the other hashers.

By then we were all hungry and heard JD's calling us to enjoy more bonding time over food and drink. Great night for all the hashers.
