I fucking love Hashing in the Rain!

It's been a while, and I'm ready to get Wet and Wetter. Joining me at circle was **Curb** when **Wet**, **Crash** when **Wet**, **Sir Cums** when **Wet**, **Lady Cum** see my **Wet Box**, **Tits n' Wet Tassels** (with her **Humidittities**), **Lost and Wet**, **Slippery** when **Wet** and myself **Pucker Wetter**.

**Crash** splooged out some soggy markings and away we **Wet**.

The runners splashed through dewy ditches and sloppy streets finding moist false trails and dank On On's. We slid through grass and slogged down hills; we plowed under powerlines (Safety 3rd!) and slithered up slimy slopes.

The hash hold was close and when we sloughed through the muck to get to it, the walkers appeared, but something was a miss.. These fucking walkers weren't **Wet**, they were **Sir Cums** when **Dry**, **Lady Cum** see my **Dry Box**, **Slippery** when **Dry**, and **Lost and Dry!** Turns out they were getting soused in the bar while we were saturating our drawers. The Sleeve I say!!! But, as it was absent, we settled on **Slippery** when **Wet** and **Tits n' Tassels** (and her **Humidittities**) mud wrestling.

I fucking love Hashing in the Rain!
