Run # 1063- July 11th, 2019

Hare(s): Don't Know Dick

Location: outdoor gym Oriole park

Prelube: LBG's

On On: LBG's

Scribe: Sir Mobey of Dickus

Slightly longer than last time

I was never any good at spin the bottle. I thought if it spun and pointed at me, I would get a kiss. Instead, it appears I got f&%#@d.

And thank you **Slippery** for again reminding me

that I was scribe.

Prelube – LBG's (think LGBTQ+, only more exclusive). I arrived early and found no other hashers.

But **Boner** soon arrived, looking splendid in

his bright unmatched colours. This is when I discovered, to my chagrin, that he was the co-hare

. He assured me the run was short. I did not believe him. **Slippery** soon appeared, as well as our hare **DKD**. **Chips** and **Drippy** followed. Did you know that someone who appeared at the run thought their names were **Chips** & **Dip**? That kills

me  - it's funny on so many levels.

Cum Liquor Snatch made a too rare appearance, followed by **Curb**. It was a great prelube attendance.

Somewhere about the time when there were 6 of us

Slippery made the risky  comment that she would run if there were 8.

A short drive to the run start and we were joined by **TNT**, **Lady Cum See**, and **Pucker**. Sounds like

more than 8 to me .

Signs were explained and the bottle spinning occurred, pointing first to a hare which, apparently, is

not acceptable .

Kudos to our hares , the trail was great. Lots of shiggy, some good false trails to keep us together and we even got our feet wet. Until, the incredibly long run down the highway 2 ditch. **Slippery** thought she was DFL arriving at the RG, but she was not. Somehow our running hare had lost 2 of his

flock . Not sure how **Chips** and **D(r)ippy** got lost, but there were rumours of bush

fornicating .

The rest of us kept amused at the RG sipping Pisco Sours and appreciating the better things in life.

Sept 6th - 8th

Rested and lubricated, we headed out again, roughly in the

direction of our hares relatively new abode . Where,

surprisingly there was a hash hold  (I can't believe there are no emojis for red licorice or cheezies!). We were met there by **Deb** and were quickly advised that she

was not a virgin , but it had been a long time. Good to know.

Even more refreshed and lubricated, we headed On In. The circle was great. Planking the non-beer drinkers with Twisted Tea was a perfect twist. They may grow to like beer now. And I assume someone was thrilled with the sticky

sweetness of their breasts   .

The hares were punished, as well as non-virgin **Deb** and others that I am sure I don't remember.

Back to LBG's for wings, drinks and a lot of laughs.

It was great that **Pucker** could join us! The karaoke 

 was actually really good. Pretty sure some at our table could have done better though, based on how well they sang along! Great run, great friends, great food – it was a

perfect night  .

On On,

Sir Mobey's   **of Dickus**

Post- lube - **DKD's** suggestion that I should have a bonfire was a wonderful idea; gorgeous night with good food (thanks **Stokin Wood**), margaritas, fire and tunes. Another perfect night!
