DEER DROPPINGS

Run # 1065- Aug 1st, 2019

Hare(s): Chips A Whore & Dripping Wet Gap

Location: Heritage Ranch

Prelube: Hudson's

On On: Hudson's

Scribe: Crash Test Rummy

Only 14 hashers turned out for possibly the best weather run of the year. (No **Chips** that does not automatically make it run of the year). We even had an out of town hasher, **Lyin' Sack of Shit** show up and he made a virgin cum too.

There were only 3 walkers tonight. **Wee** was glad to have **Drippy** and **DKD** join his threesome. Soon after the run started they disappeared and were not seen again until the hash hold. When I asked **Wee** what happened he said he did not kiss and tell.

80% of the hashers started out on hot, long, convoluted trail. It was so hot that **Cum Lick her Snatch** didn't even wear her toque. **Chips** made us all think there would be a river crossing by hinting at it then vehemently denying it. There was no river crossing but **Mobey** decided to go in the river anyway. Or perhaps he fell as the trail was very close to the river. **TNT** nearly got wet too. **Curb** was the FRB most of the night, as he ran ahead to recruit other people out walking.

Nearly an hour passed before we saw pavement again and then on to climb the Heritage Ranch stairs. At the top was the hash hold and plenty of RED licorice, chips and beer.

At circle up **Wendy**, **TNT** and **Drippy** were planked for having pony tails and being short (of course). They all did poorly so should probably practice next run. **Boner** was punished for falling and I'm sure there were more punishments too. I don't know if **Slippery** was also punished but I didn't work her name into the scribe yet so I wanted to mention her.
