DEER DROPPINGS

Run # 1067- Aug 8th, 2019

Hare(s): TNT

Location: Mount Calvary Lutheran Church

Prelube: Tony Roma's

On On: Tony Roma's

Scribe: Sir Mobey's of Dickus

Your gracious scribe had little to write so instead just wrote down the thoughts that were stuck in his brain. Unlike another recent scribe that made you think and basically write your own scribe, he has provided the correct answers to these deep thoughts:

What was nicer – the weather or the trail?

It was hot and sunny and the trail was mostly winding through the bush. A toss-up, but I'd say the trail would have been fun regardless of the weather.

Was I drunk or can I just not type?

I took some scribe reminder notes on my phone. Anybody have the slightest f\$&#n idea what “eat t shots” means? I'm blaming autocorrect and poor typing.

Who won – **Crash** or the trail?

I ran with **Crash** for a while. He is positively graceful on the deer tracks with nary a stumble. Winner is **Crash**.

Required calcium intake or alcohol infusion?

Cum Liquor Snatch inhaled a pre-run Brown Cow. **Deb** (not as near to being a virgin as she was 2 weeks ago) enjoyed a paralyzer at the On On. I heard stories these were required to build up calcium levels but I'm pretty sure you can take calcium pills. So it's obviously an alcohol thing.

Sir Cums - Innocent victim or deserving asshole?

Just freshly back from Newfoundland, **Sir Cums** was viciously assaulted by **TNT** in the circle. She even enlisted **Deb** to join her in her splashing rampage. He has obviously never done anything to deserve this – Innocent victim

Scratchy bush or born again virgin?

Apparently it has been a couple (many) years since **Scratchy** has been out, as many did not know her. But I can vouch she is no virgin – welcome back!

Good stuff or gross stuff?

The arrows on the cooler seemed to be backwards as beer was on the gross side and wine and coolers on good side. But it was nice to have signs. The signs took on a whole new meaning when **Don't Know Dick** sat on the cooler with same arrows pointing to her nether regions. Only feasible answer is it was all good stuff.

What is the better punishment - the plank or the sleeve?

Both are reasonable punishments. **Don't Know Dick** and **Scratchy Bush** did admirable jobs on the sleeve and got a little wet. But everybody gets wet in a threesome. Winner is the plank.

Small wine or big wine?

If one 9 ounce glass of wine costs twice as much as one six ounce glass of wine, which should you order? **Slippery and TNT** – this is a trick question as the answer is obviously beer.

Or just constant whine?

I could be wrong but it sure sounded like a lot of whining going on and on about who should get the **Piss 'N' Moan** shirt for whining. I think we re-award the shirt to **TNT**.

Should you walk or run?

It's a “drinking club with a running problem”. Enough said.

Vicious animal or house cat?

I did not witness the beast, but I find it hard to believe that fluffy the house cat bore a resemblance to a coyote, lynx or wolverine. Maybe a cougar?

Would you rather have **Cum Liquor Snatch** from the rear or **Sir Mobey's** from the front?

I don't know about everyone else but I can tell you that the poor little deer that showed up on our trail did not want anything to do with those options and looked quite panicked at the prospect of either. Correct answer is both would be wonderful though.

Hopscotch or scotch hop?

Curb Crawler and I would have happily hopped for a good scotch. But the hopscotch was fun, especially the giggling hare that went along with it.

They missed us or they stumbled to the same drinking hole as us?

Good to see **Wet Spot, Cum Honour, Wrecked Anal** and friend show up at the On On. They missed us 😊, they really, really missed us.

Should I come out to the 2 2 toga run and CAMPU?

Of course

ONON,

Mobey
