**Run # 1069- Aug 22<sup>nd</sup>, 2019**

**Hare(s): Slippery When Wet & Weeeee**

**Location:** Fairview School

**Prelube:** LBG's

**On On:** Burgundy's

**Scribe:** Crash Test Rummy

It was like a bunch of kids on Christmas Eve. There was a buzz in the air this night. Most of the hashers showed up to the pre-lube since they could hardly wait for the toga run to start. After a few drinks it was finally 7:00 and time for the run to start.

Everyone was dressed in a toga. **Wee** out did himself by showing up in his toga and a tutu and a 69 shirt. He was extra excited or maybe he couldn't remember if it was a toga run, a tutu run or a 69 run.

After being shown the markings and being properly introduced, we were off looking for either flour or picture clues. There was quite a traffic jam as 11 hashers in togas crossed Taylor Drive. Water balloons were hidden along the run and many hashers got wet. Did you get that water out of your ear yet **Mobey**?

The running group and walking group crossed paths many times and the dastardly walkers tampered with the runners clues. **Chips** was walking this night and re-hid the clues higher than **Curb** or **Mobey** could jump.

**Slippery** took pity on us runners and showed most of us (the ones that listened) a short cut to make up lost time. After yet more water balloon fights where **TNT** showed her skills, the runners and walkers came together at the hash hold. No one asked, but I hope it was pre-arranged and we didn't just take over someone's back yard.

The beer, cheezies and licorice was plentiful. After we all had our fill in the back yard oasis it was time to go on in. At circle up punishments were had and more beer was drunk. At the on on we feasted like the Romans of old. Without a doubt the best toga run of the year.
