Run # 1073- Sept. 19<sup>th</sup>, 2019

Hare(s): **Broken Boner**

Location: JD's

Prelube: JD's

On On: JD's

Scribe: **Slippery When Wet**

I like not having to make a lot of edits. Like the name of the scribe from last week or the signature on the bottom of the scribe. But no, **Crash**, I will not scribe all year as per your suggestion. I think the big dick has spoken. (He drank from the big Dick at the circle up for making such a suggestion. And to all of you who seconded his suggestion I will remember)

We began our night as any other Thursday at the Prelube. JD's was the Hare's choice, and most made it out. **DKD**, the co-hare abandoned her hare to get a head start on the Corona. I don't blame her. When **Boner** came in, he was panting and sweating from his run back from the Hash Hold. Judging from the amount of sweat and pant it was a long way off.

**Curb**, and I were next to come and finally at the last second **Crash** joined the small table. No rum for **Crash**! Everyone was trying to corrupt me by staying for another beer at 6:55 but I was strong and resisted. When we walked the 20 feet to the run start guess who was waiting in her car, on time? **Lady Cum See My Box**. I thought I'll have to think of another reason to punish her. Maybe a reward for being on time?

Circle up and run directions were given and the scribe was chosen based on the very scientific method of spin the bottle. And off we ran.

And we Ran and ran and RAN. The smirk on **Boner's** face when someone ran down a false trail was

memorable. So, I punished him for it. He enjoyed it so it was a win win.

**Curb, Liquor Snatch** and I stayed together in the woods while **Crash** tested the false trails. Thanks **Crash. Boner** was enjoying the run like the sadistic hare he is.

♪♪ Ain't no run like a Boner run .....cuz  
a Boner run ♪♪ don't end ♪♪

The hash hold was as lovely as ever. Thank you, **Boner**, for the delicious wine. I'm sorry I punished you. (he's not going to read this. Someone will have to tell him)

We also had beer and beef jerky, chips and a friendly dog that said hi and then went away. I half expected **Mobey** to stop by like the last time we were in this spot. But he was not there.

It must have been a premonition or maybe gas but as we came "OnIn" guess whose car was in the parking lot? **Mobey!** And **Urine!** **Mobey** was too afraid to come out and get punished but **Urine** enjoyed one!

Others were punished and rewarded for things which I cannot remember. Probably; Lying, cheating, malicious behaviour and debauchery. And this isn't even the Pirate Run!

I do know **Boner** was given Piss and Moan Tee shirt for ... pissing and moaning. I don't know who gave it to him, but I do know it was very sweaty. Man, oh man! Sorry.
