Hare(s): **Sir Cums & Hymen Trouble**

Location: Murph's

Prelube: Downtown Coop

On On: Hudson's

Scribe: TNT

Ahoy me hearties!

I sat down to write the scribe and was coming up blank, so I thought if I googled famous pirates it would help give me inspiration. Johnny Depp popped up. Did you know that he modeled his Pirates of the Caribbean character Captain Jack Sparrow after guitarist Keith Richards and Pepe Le Pew the cartoon skunk? Anyway, I digress...turns out Johnny Depp is not as much an inspiration as a distraction. 😊

**Sir Cums a Lot** and **Hymen Trouble** hosted another stellar annual pirate run! In Murphs at the prelube, **Sir Cums'** and **Hymen's** pirate costumes were so extravagant that a matey popped over to offer his treasure chest building services. I saw his business card and based on the picture, I'm confused as to what kind of chest building service he was offering?!

**Crash** went all out and dressed like a pirate ship, complete with mast and flagpole! Great job **Crash!**

*Time out of scribe to share a corny Dad joke that **Sir Cums** told...Where did Captain Hook buy his hook?  
(continue reading the scribe to find out!!)*

We gathered at the trailhead, and **Captain Sir Cums** and **First Mate Hymen** threw down some flour, gave

directions to the Buccaneers and Wenches, and we were off to find booty... Or bounty? I thought it was bounty, but pirate-opedia says booty. I think of other things when I hear the term booty...but again, I digress.

As we plunder our way through the streets of downtown Red Deer, we got more than a few stares and honks, and people even stopped to ask questions! Like they have seen a bunch of grown adults dressed like pirates going for a run before? I even witnessed the wench **Slippery** get propositioned. She spent several minutes talking to the gentleman before she decided to rejoin our group, so one would have to assume that the bounty offered to her was less than a sufficient amount.

*(Answer to joke...a second hand store!!! Teehee, cracks me up!)*

We found the treasure, and it even thoughtfully included apples and oranges to fight off scurvy! Although I'm pretty sure **Sir Cums** home made 191 proof grog would do the same thing, whew that stuff bit back! The best grog though, was of the fermented grape variety, which single handedly makes this a contender for run of the year!
