Pre lube had a special, wings for free if you came dressed up! What a deal, great to see **Cum See** and **Pleasure Chest** cum to prep with a few drinks before the run. **TNT**, **DND**. **Sir Cums** and **Crash** as well.

It was a dark and cool night, ghosts and goblins were out, along with some creepy old guys and young children in their onesies, all were in costume. Out of the dark came **Lady Miss Daisey**, you would think that **Wee** could have given her a ride, maybe that was to cum later!

We circled up, our **Slippery** RA did a spectacular job getting our instructions from the creepy guys and we headed off. We cruised through the back paths with **Crash** keeping us in check and crossed through the grave yard. The graves were quiet and we stayed away from the witches, the lure of candy got not a soul.

Probably cause **TNT**, the young babe was too fast for the goblins. Many screams were heard through the night, but all made it to the Hash Hold in a wooded area, as we were enjoying our reward, a badly beaten **Sir Cum's** came through the tree's, making his own path through the bushes.

All made it back to the circle, where punishments were given as well as rewards.

Our On-On was back at **Lady Miss Daisey** and **Wee's** abode, where we had a fire and burgers, thanks to our Hare! It was a good night.
