Run # 1085- Dec 12th, 2019

Hare(s): Sir Cums a Lot

Location: Sisson ave (not close)

Prelube: Chillabong's

On On: Chillabong's

Scribe: Broken Boner

I walked into Chillabong's and found **TNT**, **Slippery** and **Ash hole** enjoying beverages, and as we indulged the brews, **Curb** and **Sir Cums** joined us. Nice to see **Ash hole** out, at least for the Pre Lube.

It was evident that we were all going to be late when we left, but I had my head up my *** as I went south on 30th instead of 40th as subsequently was later than the rest, thus getting the pleasure of scribing.

When I arrived, a mere 15 minutes after 7, the crowd was circled up and shivering, all with bells a ringing, after a quick circle up, no introductions, we started the run with **TNT** and **Slippery** following the direction of the arrow that pointed us in the direction of a false trail. **Sir Cums** stayed with **Wee**, **Lady Cum See** and **Curb**, but **Sir Cums** kept a close eye on us runners, to keep us on trail, as it was snowing heavily, and a lot of the flower was

being covered. We found a new marking which if we took the wrong direction meant that we were naughty and had to go all the way back to the check, I guess **Slippery**, **TNT** and me were naughty.

TNT seemed to be really enjoying the heavy, snow, may be too much for such a warmth lover!! As we kept finding check backs and false trains, under the heavy **snow**, we eventually followed the walkers to the warm and newly renovated garage where we had the HH and were joined by the lovely **Hymen**.

Lots of snacks and beverages were a welcome sight. However, with the lighted garage, it was more obvious, the there was an exposed pickle amongst us. I believe **Wee** even got a picture of **Sir Cum's** pickle. **Lady Cum See**, **TNT** and **Slippery** had a hard time keeping their eyes off **Sir Cum's** Pickle, at lease **Hymen** kept them at bay.

We then went back to circle to enjoy our punishments, I don't recall all of them, but the beer was good. It was a Great Bell Run! note; Don't wear the bells on your toque as my ears are still ringing

Then off, we went back to Chillabong's for our On-On, where **Crash** joined us for steak and beverages.
