From what I remember, Spin the Bottle was a lot more fun as a kid. Seriously, who goes to 1 or 2 runs a year and gets assigned to scribe. Maybe I should've followed **TnT**'s lead and jump out of the way but anyhow, here I am.

I got to the run early so I can have a beer. **Chips** shows up next and gets his yak tracks on. Then he kinda really start getting ready for a run, I mean all athletic like. I'm not saying any stretching was involved but I wasn't the only one who noticed the limbering up. Luckily for him, the RA was busy watching the clock and looking for the hares who finally showed up with 30 seconds to spare.

We almost missed the introductions, but they finally happened. Never thought I'd be called visitor in my home kennel but I'm sure weirder things have happened. Like going counter clockwise around the circle during introductions, that sure threw everyone for a loop. Best part was when people started saying their names backwards. **Cums a Lot Sir** was cute but **Cum Snatch her Liquor** or **Liquor Snatch to Cum** (or whatever version was given) was even better.

Finally, we were off with a gimpy **TnT** joining the walkers. We followed the runners for a bit but they were soon gone so we walked, and we walked. Up the hill, through multiple streetlights, through the park for a pee break and more streets and on and on. By the time we got to the hash hold, **TnT** said she was quite surprised that the walkers actually “walked” as she always thought they simply went straight to the hash hold.

We finally came to **Lady Cum See**'s car and she drove it down the street, closer to where the runners were already assembled. That's when she realized they had already raided her car for the hash hold but at least they made sure to leave some beer and liquorice for the rest of us.

Soon came time for **Whore Slayer**, our resident crazy carpet specialist, to display his skill as he took **Mobey** along for a ride. I think he must've been getting a little too cozy during the ride because **Whore Slayer** dumped him halfway down the hill. He chose **Cum Liquor Snatch** for the second part of his sliding journey and down the hill they went establishing the speed and distance record we would now try to beat.

So, a few of us took our crazy carpet for a slide down the hill, some with more success than others. **Boner** wasn't participating though. He'd been so upset at having to wear pants during the cold snap that he was now happily sporting his favorite red Interhash shorts and showing off his legs. Perfect for running but not so great for playing in the snow.

Don't Know Dick was kinda sick, so she decided that performing stunts down the hill wasn't in her best interest. **Chips** or the **RA** didn't join in either, too busy enjoying their beverage, I think.

Eventually our asses got too sore for sliding and circle was called up. Hares were brought in for the first punishments, but no beer had been poured yet, so we had to wait for that situation to be rectified. **Sir Cums** tried to get **Cum See** punished for driving 50ft to the hash hold but he's the one that ended up drinking. There was some weird punishment for myself and **TnT** which I still don't understand. Something about me blowing a rubber and her being a dominatrix. Hey who knew!!

There were other offences but the "piece de resistance" was **Cum Liquor Snatch** becoming the proud recipient of the **Piss and Moan** shirt. Looked as grubby as I remembered. Off to **Murph's** where after 2 years the waitress still remembered me and what I drank. Not sure that was a good thing. This great evening ended with a surprise visit from **Nail Me** who joined us for a drink. Thanks everyone for the fun times.
