Run # 1092- Jan 31st, 2020

It was the last run of January, & a surprisingly warm night again. The usual participants showed up at the SPCA, with a lot of giggling showing those who had been prelubing.

The **RA** called Circle Up & we waited & waited for those pissing in the bush. Finally, they showed, & we were asked to introduce ourselves going counter-clockwise. Which , of course, meant our names had to be backwards: **Boner Broken**, **T&T** (delighted to be a paladrym!), **Dickus of Mobey Sir**, **Gap Wet Dripping**, **Sleigher Whore, Dick Don't Know, myself (Box My See Cum Lady), Whore a Chip's, & Style Doggie**. The **RA** get her name straight, calling herself **When Slippery Wet**, & we all yelled Wet **When Slippery** (yes, she had been to the prelube). It's amazing how the meanings change with that little reversal!
Finally, **Boner Broken** introduced his trail very quickly & we were off.

The walkers, led by **Dick Don't Know**, started up the hill behind the SPCA & quickly came to a check.

We found flour in 2 different directions so she had us wait innocently while the runners, back from their first of many false trails, ran in 3 different directions & found a couple more falsies before they finally were headed southbound & gone.

The walkers enjoyed a beautiful warm evening through the trees on a well packed track, before hitting a big check into the Pines. Some of us headed for the school but the crafty hare called us back to head downhill to the old tracks. **Style Doggie** managed to stay upright, looking very cool in his usual plaid.

Gap Wet Dripping demonstrated another new sports combo: downhill skiing with figure skating (wearing running shoes) as she slid straight down the hill then

performed a pirouette & continued down backwards & sticking the landing. **Doggie** gave her a 6.0 for that feat!

DKD, Wet When Slippery & I demonstrated self-preservation & clung to the skimpy trees on the way down.

We then proceeded back to the industrial area where we found a familiar well stocked truck complete with wine, licorice & jerky. We had quite a long wait & were on our 3rd beer when the runners finally showed, complaining about going all the way to the mall on a false trail. But they all had 😃😆😊

Discussions were about the warmth of plaid & the contrast between **Boner's** shorts, **Sleigher's** leather coat & jeans, & **TNT's** downfilled parka. Back at circle up there were multiple punishments to the hares, a couple for slips & a double punishment for **Chips** & **Sleigher** for public indecency & voyeurism. Consensus was that it was a great run, & we all headed back to JDs for great food & laughs.
