Run # 1093- Feb 6th, 2020

Hare(s): Crash Test Rummy

Location: Troubled Monk

Prelube: Troubled Monk

On On: Papa Baldy's Pizza

Scribe: Sir Mobey's of Dickus

I arrived at the prelube promptly at 5:45. And all alone I sat and drank. Which was OK because I really like Troubled Monk beer. Somewhat after 6:00 though I was joined by a steady stream of drinking companions.

TNT, then **Cum Liquor Snatch**, **Slippery** and **Crash**. And finally, by **Broken Boner** and **DKD**. They would have arrived earlier, but they were in line waiting for drinks. But when they did arrive at the table, they brought me a gift of twice as much Pesky Pig as I could have ever wanted.

It was a long walk to the run start, but we managed to make it on time. And there lo and behold were **Whore Sleigher** and **Cum See**. Nine hashers to enjoy this beautiful night.

Introductions were made in some weird form of random order (and we thought counterclockwise was tough) so we tried to say our names in random order, but it was much too much thinking for hashers.

Crash and **Slippery** showed us the marks and **Crash** has greatly improved on his ability to make chalk marks on the ground. Except for the arrow that pointed directly at a fence. And that he ran out of chalk. But I think we all got the general idea.

Off we went. Not where the arrow pointed but in various directions. Somebody found trail, it wasn't me.

The run was good, I think it was even a different trail than **Crash** has set before from the Troubled Monk.

We ran into a few groups of homeless people in the bush and also the walkers. It was very difficult to tell the difference.

In a truly unusual turn, it seemed the walkers had more adventures than the runners. They had a half-time show, with **Slippery** and **DKD** doing their best Shakira and JLo show while hoping for a 4 way. Good times, hopefully they were still able to walk after that. There was also much talk of chasing small pricks thru the bush. It may have been a porcupine. Or maybe it was the runners. Regardless, they ended their walk just as they started it - prickless.

Back to the run, I took some notes that night, but they seem a little cryptic now. Somebody stood on a checkback and, surprisingly, I don't think it was **Boner**.

The walkers pretended to be taking a tinkle on trial when they were actually, camouflaging our trail after a check back. There must also have been some talk of football as I recall a debate as to which was better – a wide receiver or a tight end?

We eventually returned to where we started. To no one's surprise, the hash hold was right beside the swill. The selection of beverages and snacks was good, although a few fussy hashers did complain about warm beer. Probably the same ones who prefer wide receivers.

Circle was good, with **Boner** giving us time to masturbate and a few non-beer drinkers suffering thru a small glass of beer.

On On had 100% attendance (yay!) and was at a place that was new to many of us – Papa Baldy’s pizza. Good food, great beer selection and a good time.
