The night didn't start out too well for **Chips**. He went to the pre-lube in East 40th, expecting to see the usual pre-lube hashers there. The place was packed, and he looked around but didn't see anyone that he knew. WTF???????? He thought to himself.

He walked out feeling quite despondent, and thought to himself that he must have got the wrong pub.

Chillabongs, he thought!!! They must be at Chillabongs!!! So off he went in search of the missing Pre-Lubers, only to find that they weren't there either. Being a guy, **Chips** never gave it a thought to phone **Slippery** to see where everyone was!! After searching half the pubs in Red Deer, he gave up and headed to Kin Canyon for the start of the run.

There his question was answered – they were all drinking in Boner's Truck!!!!!! The pre-lube had for some unknown reason been changed to a truck!!!!!!

Nine of us made it out. **Lady Miss Dazey** and moi, **Slippery**, **TNT**, **Boner**, **Mobey's**, **Chips**, **Cumsee**, and last but not least the Pissing and Moaning **Don't Know Dick!!!**

Slippery called everyone to circle up and **Don't Know Dick** pissed and moaned because she hadn't finished her beer!!!!

The introductions were carried out and **Lady Miss Dazey** and yours truly were called into the circle to explain the markings. **Miss D** then spun the bottle and it pointed straight at me!!! Great!!! Not only did I spend 4hrs setting trail with my lovely wife, she gets me to scribe!!!!

She's going to be cut off for a week!!!!

The runners headed off without a running hare and the walkers followed **Miss D**. My old war wound started playing up after the gruelling run setting, so I couldn't walk and I was just about to get in the car to meet them at the hash hold, when **Don't Know Dick** pissed and moaned because I wouldn't let her join me and told her that she had to walk!!!!

Boner was first at the Hash Hold – apparently, he blasted through all the checks without

marking any of them. He was later punished.

As the rest of the runners got to the Hash Hold, **Slippery** was looking mightily uncomfortable. Not long before during the run, **Mobey's** suddenly crept up on **Slippery** out of nowhere and scared her so much, that she pissed her pants!!! He was also punished for this, of course.

A great Hash Hold it was, with a great choice of beer – Keith's, Keith's, Keith's and the odd shitty other stuff that they call beer. Also a great choice of liquorice - red or black!!!! **Mobey's** dropped a red liquorice on the floor (where it belongs, I'd say) which made **Don't Know Dick** piss and moan about it. To make matters worse, **Mobey's** proceeded to stomp on it and left it for the deer (not that any deer would want it anyway!!).

After a great circle up, we went to East 40th for the On On.

We had free pizza, but **Don't Know Dick** piss and moaned because it was only 2 toppings.

We had live music but **Don't Know Dick** piss and moaned because it was too loud – or was it too quiet? Or was it just that she didn't like the music?

We couldn't eat all the pizza because we were all too stuffed, and **Don't know Dick** piss and moaned that it was **Boner's** fault for filling up the popcorn bowls too often!!

It was a great run and a great night – as always!!

If anyone has the Piss and Moan shirt, please bring it next week – I think I know who deserves it!!!!

Haha.

Sorry **Don't Know Dick**. Just kidding!!!!
Lol.
