Sexy run

It all started in a small pub in North Red Deer. A few Hashers gathered for a quick beverage to ease their pain and mind for what was to cum tonight. **Sir Cums a Lot** thought he would enjoy his beer in a different way and was caught rubbing it out. So what I wonder, what is going through his mind as he is stroking his beer; “It’s a hot day at the beach and you reach into your cooler and pull out a perfectly chilled Pilsner, a light sweat beads on its neck and you hear the sound of angels as your lips finally meet” or is he playing a Justin Bieber song over and over again in his head. I really hope it was the first thought, the latter is usually associated with Coors Light drinkers. What a great way to enjoy a beer, a little embarrassing when you’re caught doing it though.

With the moon and Venus in conjunction, all was aligned for a possible run of the century. **Chips a Whore** and **Dripping Wet Gap** take the reins on this run tonight, a very warm, wet and slippery run.

Now if someone was walking by and listened to our circle up and heard names like **Cum See my Box**, **Slippery When Wet**, or **Pucker Sucker**, that someone would have to assume some sort of sex/running cult that meets in dark corners on Thursday nights.

Ya, it does sound like we are using our bedroom names and tonight **Crash Test Rummy** and myself are the only two Hashers without a sexual connotation attached to it. Right off the bat, **Whore Sleigher** was talking about “going south” without the knowledge of its meaning. Well it even had me stumped so I asked around, talked to a few of my people and google and determined that it means “giving oral sex”. Might want to use that more often.

With foreplay over, and good job on getting us in the right mood **Slippery**, we were all off. We found ourselves navigating thick bush and hard trails. Trail left a few opportunities for the walkers and the runners to meet up. Both had issues with the slippery condition with the odd Hasher going down. **Drippy** nearly found out what a road jelly bean tasted like with her fall and at one point **Sir Cums** was just about to tell me about his beer when he disappeared down the hill. On his slide down he took out **Deep Throat**. Looked like he enjoyed it while **Deep** laughed hysterically and complained at the same time. On the runner’s side, **Sir Mobey of Dickus** fared the worst by taking one in the mouth. Now he said he did not enjoy it, but it could have been worse, he could have fallen and taken a root up the backside. **Mobey** did post a very phallic pic of the location of his encounter to prove his innocence but nobody is buying.

We all finally made it to the Hash Hold and where everyone enjoyed a crisp beer and snacks. We mostly hung around **Mobey** feeling sorry for him. Soon it was time to circle up and take our licks. We all got punished for one thing or another. One surprise was how together, **Sir Cums** and myself make a fine hairy ass.

Highlight of the night does go to **Chips a Whore** and **Broken Boner**. **Chips** received his 400th run jacket, the guy could not get any sexier. I doubt he will ever take it off. And tonight, **Broken Boner** received his 500th honour and now is **Sir Broken Boner** or **Sir Broken of Boner**. Way to go! **Mobey** also had a muchly enjoyed pre birthday shooter and we sang to him.

This run had everything you need to succeed. Run of the century? Not sure but definitely, the sexiest run of the year.
