Hares: Deep Throat Banana & Wee the Gorilla
Heritage Ranch
Scribe: Pucker Sucker

Hello and Good Day, welcome to my Scribe!

The weather is nice on this Hallo's eve's eve's night. It started with a few, but then it grew, in fact, there were so many bodies, **Moby** the A-COUNT-ANT had to take off his shoes.

I don't remember a lot, I was pretty lit, but I do recall I be scribbin' n shit. **Wee the Gorilla** and a **Deep Throat Banana** were our pair o' hares for the evening. **Wicked Mz. Dazey** cast a spell on them that made them very **A-Peeling**. They gave us the low down on how not to get lost. It didn't work.

Slippery was miming a very wet act when her flashlight fell around the first checkback. **Tits n' Tutus** and I had to console her loss, it was a good flashlight.

MOMENT

We found the walkers in the deep dark forest. **Urine the Knight** had been protecting them with his weapon. Protecting or penetrating, in the light of the glow sticks, **Drippy the French** and **Don't Know Witch** said it was hard to tell.

Chips finally answered the question...Does a Bear shit in the woods? YES, I slipped in it twice.

Found a small hashhold in a cozy nook, **DKD** didn't. **Boner Dynasty** was keeping it safe for her.

Not far from there was another floured symbol, don't know what the fuck it was. A Snail? A Teddybear? The Horny Shark (doo-doo-doo-do-doo) figured best, it had something to do with sex.

The Moon was too bright for a photo-op on the bridge, so **Deep** just flashed us instead.

Our semi-hardened RA was getting thirsty again, you are what you drink! Back to the circle we went to partake.

IN BE-BOPS (a-lula) HEAD FIRST

It was a great circle, **Deep Banana** drank thrice including when **Misty** gave her a **Hole** full of Birthday Shot. **Deep** claimed she had never done that before, but the smile on **Misty's** face said otherwise. **Raggety Cum** won for best **Overall** costume and the **Pimp my Virgin** was sacrificed.

On On and See You Next Thursday!

Pucker.
