Cheers to you all and keep staying safe

Upcoming runs will depend on who would like to volunteer. It is unfair to ask hashers to set a run if they prefer to stay away.

Right now, we are not dispensing the swill or punishments. What you bring to the run is what you drink for Prelube, Hash Hold, Circle Up and ONON.

If you want to set a walk or run let me know.

We are not charging money and we are not counting runs.

We can gather in large groups outside, but it is still a challenge to socially distance. We understand if you feel it is not time for you to join us.

We will see what the next few weeks brings us in Covid numbers in Central Alberta and adjust accordingly in July.

-Hope to see you out soon
