Covid Run # 11 - July 23rd, 2020

Hare(s): Don't Know Dick

Location: Oriole Park

Scribe: Sir Wee Little Bladder

I'm late, I'm late for a very important scribe!!!
Sorry!!!

You working people just don't realize what it's like being retired!! There's just no time to do anything, except to work, work, work!!! **Curb** and **Preemie** will back me up on that one!!

I just found an old scrap of paper in my pocket that I'd scribbled down after the run, so I did have good intentions to write a good scribe, but life just got in the way!!

Anyway, **Don't Know Dick's** run was so long ago now, I forget what happened, and I can't read my own writing anyway, so I'll jot down a few things that I do remember.

No fancy songs or poems or even anything that makes sense, butbetter late than never!!!!

The Pre-lube was in DKD's garage, and it was nice of them to leave me a parking spot FDC in the driveway.

Already enjoying their beer were **DKD, Boner, Curb, TNT, Slippery, Crash** and **Sir Mobey's**.

Whore Sleigher and **Cumsee** soon followed.

I remember something about DKD being infatuated with Glory Holes (she must have had a bad upbringing) and couldn't wait to have a "Glory Hole

Run"!!! How that's going to pan out, we'll have to wait and see!!

I remember it being a great run through great trails with lots of shiggy and even more mosquitoes, which **Cumsee** didn't take kindly to and certainly deserves the "Piss 'n Moan Shirt!!

Now it seems to me that the runners must have been tripping on some sort of Crack or Acid during the whole run because weird things seemed to have happened:

(1) Now I'm trying to decipher my scribble, and there's something about **Whore Sleigher** stopping to take a piss and all the runners left him behind, but he found some sort of trap which was covered with gold nuggets!!!

(2) The runners claimed they saw a parrot along the trail!!!

(3) **Crash** and **Sir Mobey's** were so completely out of it, they didn't know what day it was or where they were, and they both got completely lost wandering through the trees for hours on end.

(4) At the Hash Hold they all seemed to be really horny for some unknown reason and wanted to call it "The let's get fucked" Hash Hold!!! Yes, sorry to say, I'm afraid it's true!!!

(5) During the circle up, **Slippery**, our poor dear RA, thought she was in the announcer in the ring of a World Heavyweight Title fight, and she thought the cord of the garage door was a microphone, which

she used to call the hashers into the circle to be punished!!

(6) **TNT** was punished for being the running hare and allowing such a shit show to happen!!!

(Rumours were floating around that it was she who gave out the mind altering drugs to start with!!!

Yes, as far as I remember, it was quite an eventful run.

I recommend that if, in the future, you are chosen to scribe, then you write it as soon as you get home after the run, or no more than the day after, so you still remember what the fuck happened!!!!

On-On,

Weeee
