**Make Hashing Fun Again** (MHFA,  
pronounce “muhfa”)

Election day is coming – don't waste your votes.  
Vote now, vote often. In person, by male, by  
email, by female, whatever. A vote for **Mobey's**  
(and **Deb**) is guaranteed to MHFA!! Voting for  
others will no doubt lead to riots, lawlessness,  
prohibition and anarchy. A beer in every fridge  
promise. Remember, a vote for a different scribe  
or run = prohibition. Pretty much guaranteed.

The run was great. Run of the year and, possibly,  
the best run of all time. Really great. It may have  
been a perfect run.

Don't just take our word for it. Skilled and  
respected hashers in attendance said the same:

- **Crash Test Rummy** – “You know,  
the others (walkers) tried to  
screw me over but the trail was

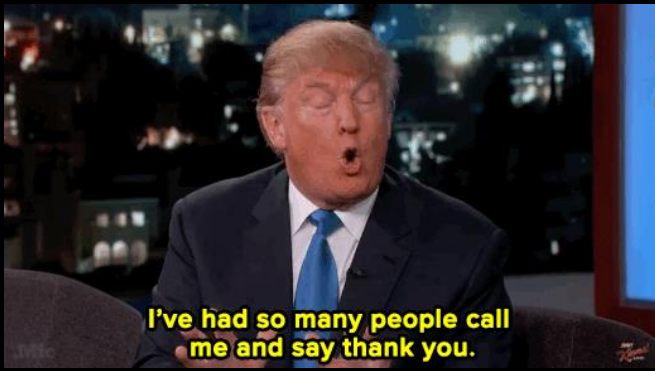

so great I couldn't go wrong. **Sir Mobey's**  
has my vote.”

- **Curb Crawler** – “I wasn't going to run in my  
blue jeans but saw that it was a **Mobey's run**.  
A can't be missed event.”
- **TNT** – “The flour. There was just so much of it, we  
were almost tripping over it. The greatest use of  
flour ever.”
- **Rachel** – “I only take my hat off for 2 reasons, and  
1 of them is a **Mobey's** (and **Deb**) run”
- **Broken Boner** – “So much fun. If I had a pussy I  
would have wanted **Mobey's** to reach out and  
grab it.”

Vote for **Mobey's** (and Deb) for scribe of the year and run of  
year and we promise:

- Public urination available on every run.  
Everybody stopped on this run, this could  
be the future of hashing.
- Hash holds so good even the ants will want  
to attend.
- Free beer (while quantities last)
- Sunshine and warm weather. Every week.  
Guaranteed.
- Ziplines on every run.
- Free bleach injections.

A **Mobey's** (and **Deb**) run gets everyone working harder. Even  
RA Slippery When Wet pulled out all the stops – the sleeve, the  
plank, the ass hole. Even before the vote the MHFA movement  
is happening.

Covid had no effect on the run. Because of **Mobey's** (and **Deb's**) great run and scribe, pretty sure Covid will be gone by next week.

More comments from the masses:

- **Deb** – “I was going to just go home but the opportunity to be **Mobey's** (running) mate was just too good. Thank you, thank you, thank you! I would have been lost without his guidance.”
- **Slippery When Wet** – “Such a pleasure to play a small part in a **Mobey's** (and **Deb**) run. The respect he commands even spreads to the circle up. He really is a MHFA.”
- **Don't Know Dick** – “**Mobey's** runs respect the law so much. Who else has a circle up right beside a police station. I felt so safe! When I think of **Mobey's**, I think of MHFA.”
- **Whore Sleigher** – “I don't wear dress shoes for just anybody's run. But a **Mobey's** (and **Deb**) run is an event. So glad I was able to witness it.”
- **Cum See My Box** – “Where was the pussy grabbing? I would have been there. Really. Where was it? It's a privilege to be part of this scribe.”

Don't take the chance on anyone else, help carry the Woodlea vote and bring **Mobey's** (and **Deb**) to victory. Others = prohibition. **Mobey's** = abundant beer. All lives matter. Especially those that look like **Mobey's** (and **Deb**). MHFA. And don't believe the rumours – **Mobey's** has never called the walkers a bunch of losers. Really. He knows they do their best.

The last word on this matter has to go to our most wise and experienced hasher. **Wee Little Bladder** has seen thousands of runs over his lifetime of hashing. “I'd only drive halfway across the province for one hasher's run, for one hasher's scribe. Great to still be alive to see it. MHFA!!”
