Scribe #5 (tune of “ The Gambler)

On a warm summer evening

On a trail bound for no where

I met up with hashers

Who were all parched to speak

So we took turns a crackin

The cold golden elixir

The feeling overtook us

And we began to speak

We said it time to get a life

By meeting people in places

Knowing what the marks were

By the way the flour laid

So if you don't mind the checkback

I can see your out of breath

For a taste of your beer

I'll tell you where to go

So I handed him my beer

And he drank down my last swallow

Then he turned and flashed me

And asked me for some head

The hashers all in unison

Screamed I'll have some of that

The RA yelled Fuck it

You'll be punished for that

Chorus

You got to know how to follow

Know when to turn back

Know when to run

You always must yell ON ON

When your following the trail

There'll be time enough for drinking

When you find hash hold

Every hasher knows

That the secret to surviving

Is knowing how to drink a lot

And peeing in the bush

Cause every trails adventure

Reveals all its secrets

And the best you can hope for is to survive

Every run

And when we find the Hash Hold

We grab another beer

Pass red licorice

And eat orange food group

And somewhere in the darkness

The people are a starin'

At the group of hashers

That like to drink and run

Chorus (3X)
