Run #1171 / January 13th 2022

Hare: Crash & DKD

Start: Waskasoo Professional Centre , 4405 52 Ave

On On: OJ's

Scribe: Wee Little Bladder

There were just 3 of us on the last run of '21
So we decided that something had to be done
because it was the lowest turnout we had ever seen.
It worked, because this week we had 16!!

We had **Boner, Pucker, Curb** and **TNT**

Virgin Kaitlynn and visitor **VST**

There was **Crash** of course, who always makes us laugh
And **Whore Sleigher** who did a half and half

There was **Grabbin' Wood, Miss Dazey** and **Cumsee** too
Sir Mobey's, who walked cos he'd had the flu

Barely Cums finally came after all 😊

And **Don't Know Dick** thought that we were in Nepal

She took us tracking deer through the snow
And she led us over cliffs, don't you know
We climbed Everest and even K9

Don't Know Dick has "mounting dogs" on her mind!!

The Hash Hold was something to behold

"Wait at the Troubled Monk" we were told

When the runners arrived, they were led by **Crash**

Who put his hand in his pocket and pulled out his cash

"The drinks are on me" is what he cried

And the weather was so nice, we sat outside

"A great night and a great run", we all said

Let's hope we keep it up for the runs ahead!!

On On at Troubled
Monk - Thank You
