Another great night with the hashers;

TNT, Crash Test Rummy, Whore Sleigher, Mobey's Dick, Pucker Sucker, CheapN'Easy, Blowin' Hoes, Cum See My Box, Don't Know Dick, Broken Boner, Curb Crawler, our Hare; **Lady Mz Dazey** and myself, **Slippery When Wet**. What a turnout! The bottle was spun and it landed on ...(drum roll please).....**Wee Little Bladder**. Poor guy. I thought I would save him from writing another song. Other than being super icy the usual occurred so I thought I would tell you a few stories from the Bible.

I bet you have all heard of the book of Job or Numbers or Deuteronomy?? But I bet you haven't heard of the "Book of Wee"?

Did you know that in the Book of Genesis there were 3 people who lived in the Garden of Eden. Adam, who was made from clay, Eve from Adam's Rib and Wee, who was made from Barley and Hops. He liked living in the garden but it had its ups and downs. He liked having his scar hang out all day long while playing his guitar but as a third wheel, he was often bored. So, Wee liked to play tricks on Adam and Eve. On one particularly boring day he convinced Adam to eat an apple from a forbidden tree and then blamed it on Eve. The snake was not involved.

After being kicked out of the garden Wee was asked to populate the earth. He found a lovely bride named **Lady Mz Dazey**. They had several children. First came the twins, **Broken Boner** and **Curb Crawler**. They were best friends as well as brothers who liked to sail the 7 seas. Soon after Wee fathered; **TNT, Crash Test Rummy, Slippery When Wet, Whore Sleigher, Mobey's Dick**, and **Pucker Sucker**. These children loved to run, drink wine and sing songs. Later came, **CheapN'Easy, Blowin' Hoes, Cum See My Box**, and **Don't Know Dick**. They walked and walked and walked but they were not trying to get anywhere. But Wee did not teach

his children well and they were evil. They spent their time drinking and using the Lord's name in vain. They all lived in Sodom and Gomorrah. We all remember what happened there.

After Wee narrowly escaped he decided to live a righteous life. At 745 years old Wee spent his time running and preaching the hashing way. This pleased the Lord so much so that he asked Wee to build an Arc to hold two of every animal. Wee was lazy and did no such thing. He asked his old friend Noah to build it instead. When it came time to board Noah refused him access so Wee snuck on with the sheep.

The next time we hear about Wee is much, much later, during the birth of Jesus. The manger was quite crowded with Mary and Joseph, the three wise men, shepherds, an angel and the animals looking on. But, research reveals that there was most likely someone else in the background. Wee, a singer-songwriter of sorts.

There are several other mentions of Wee in the new testament but his final appearance occurs at the last supper. If you look very closely at the famous painting by Leonardo da Vinci you can see Wee passed out under the table in between Peter and John.

Scholars and theologians will always argue the legitimacy of these stories but I believe them.

Come out on Thursday next and see for yourself.
