Run #1176 / March 24th 2022
Hare: DKD
Start: Mohave Grill parking Lot
Pre-Lube / On On: Murph's
Scribe: Grabbin Wood

There once was a group called Hashers
They met March 24th, RA was “ **Crash**” or ?
Virgin **Shannon** showed up
Slippery drank from a cup
Apparently **TNT** joined her

DKD was the Mohave trail setter
Boner the running Hare fetcher
Mobey got lost
Barely Gums thought there was frost
and **Curb** says “ hats in circle a no brainer “

Walkers thought exercise part of their purpose
Wee, Gum See, looked like Richard Simmons circus
The Hash Hold was flush
It even included liquorice
Heard some lame excuse for choc-o-late promised

The group had some fun,
A little walk, a little run
Some swill with peers , some thirst quenched with beers
Shall we do it again , even if it's in the rain ?
See you April 7th my dears
