*“Never let the Truth or Libel Laws stand in the way  
of a good story”*

**Run #1198 - Dec 29th - Look out**

**Hares: WLB**  
**Location: Murphs**  
**Prelube: Mr Mikes**

Welcome back to another episode of The “Old and the Useless” where The world wide organization H.A.S.H.I.N.G, AKA; Helping Alcoholics, Sooth, & Heal, Internalized, Necrophilia Group was preparing for another fundraiser. I promise; this is the last one.

This time, **Wincel Lynton Beckett** was in charge of setting the path of the evening; so to speak.

Absent from the usual members were; **Tinel Nellie Tarragon**, **Delmara Kaprice Dix**, and **Bradford Baxter** who are away due to incarceration. Tax evasion is so easily defended. I’m sure we will see them very soon. **Carson Crawley** and **Priscilla Brooks** made a surprise appearance at the ONON. Stay tuned for a surprise twist at the end.

**Wincel Lynton Beckett** was setting up his one hundredth fundraiser. His Lovely partner **Lady Mz Daphne** was there to support him in any way possible. Unless of course it interfered with the dogs. **Wincel** finished setting up and headed to Chez Murphy’s for the prelube with dreams of winning the fundraiser of the year.

**Summer Whitely Westington** and **Chaterik Tennyson Randal** were first to arrive at the prelube. This group had to lubricate their minds, bodies and souls before attending so many fundraisers. “Oh, darling, look, we are the first to arrive.”, said **Summer**. “Let’s hope we have an enormous turnout for the virgin we invited.”

“Well, Darling”, **Caterik** explained. “It is the week between Christmas and New Years. People are abroad, they have family obligations and quite possibly they are ill with this dreadful weather we’ve been having”.

“Yes Darling you are correct. How clever you are” added **Summer**.

“Oh Barf”, retorted **Montague Oscar Douglas**. The evil RA had just entered Chez Murphy’s Fine Dining establishment and made his presence known. “Book a room at the Hilton, why don’t you.”

“Hello **Montague**. Did you enjoy yourself on the slopes today?” **Chaterik Tennyson Randal** shot back. Just then the Hare arrived and diffused the situation.

“Evening, all” **Wincel Lynton Beckett** said. **Wincel** quickly ordered and sat down. Our virgin, **Matt**, was next to arrive. Everyone was delighted and he fit right in.

Soon it was time to vacate Chez Murphy’s and head to the location of the fundraiser; a skating rink that does not exist. We all somehow drove to the correct location anyway. While we waited for **Camille Scarlett Margret Boxer** (nicknamed **Camille Scarlett**) to arrive **Lady Mz Daphne** drove up. We waited a few more minutes for our regulars but they did not come. Twas’ a Tough time and season to have a fundraiser.

**Summer Whitely Westington** and **Chaterik Tennyson Randal** plus the virgin **Matt** took off after introductions and instructions. The hare was very concerned and he gave us the direction of the first Check. **Summer**, not trusting the hare, checked another way and nearly got lost. (Or left behind.) The jury is still out. After all was complete the fundraiser was wonderful. There was an ice feature, crazy carpets, and many many hills.

**Lady Mz Daphne, Camille Scarlett, Montague Oscar Douglas** and **Wincel Lynton Beckett** did not trust the running ability of the fundraiser and began shouting onon, onon, near the end. The runners shouted back ‘onon onon’. The looks they got from the families that were sledding on the hill were priceless. Oh dear. They thought we lost our dog, Onon.

At the Hashhold we were served a lovely spread of hot cocoa, Rum Chatta, beer and of course, black licorice. **Wincel** and **Mz Daphne** were incredible hosts. Our Virgin **Matt** was amazed and beguiled with this evening’s event so far.

Private transportation was arranged for the members of H.A.S.H.I.N.G by the generous **Wincel Lynton Beckett**. We arrived in record time back to the circle up. Opulent indeed. He is playing for Fundraiser of the year.

The reprimands were plentiful at the fundraiser circle. We were doing our best but the evil RA, **Montague Oscar Douglas** always finds fault in the members of H.A.S.H.I.N.G. It is a tradition.

We were delighted to see **Carson Crawley** and **Priscilla Brooks** at the fine restaurant Monsieur Mícheál. Even our virgin attended the ONON. It was hilarious when **Wincel** and **Montague** tried to inform **Matt** on the correct number of fundraisers attended

to become a Sir or Lady. 1000. The lengths these gentlemen will go to keep the prestigious titles away from the next generation is shocking.

Summer **Whitely Westington** and **Carson Crawley** entered into a lively debate on the proper way to fold napkins. **Camille Scarlett** and **Summer** insisted on the swan design where **Carson Crawley** thought a plain style was superior. **Chaterik Tennyson Randal** could not get a word in edgewise. No harm or foul was caused and warm embraces and onon's were proclaimed and another successful event came to a close.

Will **Tinel Nellie Tarragon**, **Delmara Kaprice Dix**, and **Bradford Baxter** end their confinement? Does the evil RA cease being a tyrant? Will we ever see **Matt** again? Will **Wincel** and **Montague** change the protocol of the group and keep themselves feeling "special" a little longer? Stay tuned.

*Adieu Adieu, Summer*
