Run #1213 - June 15th 2023

Hares: **Curb Crawler**

Location: **Kuhnen Park**

Scribe: **Elyse**

Once upon a time, in a forest not so far away, twelve hashers dashed after a wily hare. There were the usual suspects: **Slippery When Wet, Crash Test Rummy, Cum See my Box, Wee Little Bladder, Broken Boner, Dixie Cup, Lady Ms Dazey, Don't Know Dick, Curb Crawler, Elyse, AND a virgin.** New to the lewd, the virgin took to the chase with great aplomb.

Up and down, around and around the hashers crashed. Scaring campers with their shouts of On-On, Checking, etc. etc. The walkers did try to add confusion by yelling decoy calls, but the runners did persist. The mandate of no technology

appears to have been violated with many wonderful photos taken (see attached).

Although the trail was so beautiful that the crime was worth the punishment.

On on,
Elyse
