## The Tale of Two Scribes

### Scribe 1

It's so nice to meet some old friends and pass the time of day  
And talk about the hashhold many hash miles away

Were **Crash & Slippery** the hares? Was it really any fun?

And by the way, i don't remember the run

Did **Wee** cross the creek while we were hashing?

And when the circle came, do you remember if we sang a song or two?

Did we end at Toad 'n' Turtle? Did we really have just one?

And by the way, I don't remember the run

### Scribe 2

Were **Wee** and **Dazey** the hares?  
Did the signs show on the ground?

Are the hashgirls still as pretty as we have ever found?

Does the hill up from McKenzie really hurt a ton?

And by the way, I don't remember the run

Did we mention **Grabbins** name while we were hashing?

And when the beer was drank, did the mozzies seem just a little insane?

Is the black licorice better when the Tim Tams are all done?

And by the way, I don't remember the run

### Conclusion

I got to scribe two glorious weeks of hashing

And looking at the words, I'm sure that I missed a name or two  
Won't you assign a scribe to someone else? It's better than getting none

And by the way, I don't remember the runs

Cheers 😊
