Hares: Ms Dazey & WLB
Scribe: Pucker Sucker

1st off, this is a politically correct scribe, it identifies as a Trans-Scribe and goes by the pronouns Therst/Heeeee.

We arrived at a sloppy second circle up and as I moistly cum myself it was nice to have **Curb** in the assenger seat.

During Foreplay, our Hare **Lady Ms. Dasey** sexplained how to give a great snow job.. and got off we did.

Crash took on the occopulation of running hare, thanks **Crash**, we didn't know where we were going the hole time. Fuckiily, I Like it Hard had us pointed in the right direrection.

Dixie Cup just needed to find a fucking spot and/or fucking spot, and he indoobididly found the fucking spot that led us to the fucking spot. At the Orgy, we answered the question of How much wood could a **Grabbing**

Wood grab if a **Grabbing Wood** would grab wood? We also learned Sir Weeee

likes to be fingered and **Cum See my Box** left with a nice butter ripple cream filled box.

TNT ran like she was running on a white sandy beach, just tossin' those **Tits n' Tassels** till we found the HH.

In the big finish, **Slippery** was punished for wanking in her tent, **Sir Moby** for the Miss Miss use of **Mitsy**, and **Porcelain Princess** for using a boring name, though she was sporting a rather hashing cape.

On ON and See U Next Thursday!
