Hare: I Like it Hard

Park at Reeves Cres. On On: Chillabongs

Likes It Hard's Virgin Run

Likes It Hard, this was his first hared run

Likes It Hard, this was his first hared run

Although he was a virgin, we sure had so much fun

Can't Cum showed up - which was great to see

Can't Cum showed up - which was good to see

And who came down from the Arctic? Our very own Mount Me

PP couldn't make it because she was so ill

PP couldn't make it because she was so ill

But that didn't stop her from driving out to hide the swill

The hashers were Pucker, Don't Know Dick and Mobey,

Grabbin' Wood, Can't Cum, Crash and Dicksie,

Likes It Hard, Curb and Slippery,

Miss Dazey, Wee, Broken Boner and Mount Me.

At the circle up, Curb and Slippery were downed

They're both a year older, they should go out on the town

It was their birthdays, and Curb is still alive

And Slippery must be getting on - at least thirty five

She was so happy at the On-On, she even gave Crash a muff dive
