Run #1247 - October 10rd, 2024

Hare: Dick See Cup
Scribe: Slippery
Sylvan Lake Splash Park.
ON ON: Lodge 43

10-10-10

The last run on October 10th had 10 hashers in attendance. You can't make that up.
Top 10 Reasons You're a Good Hasher.

Across	Down
1. You get pulled over on the highway because you shouldn't drive at night but you want to go out to Sylvan Lake to support your RA	1. You always write the scribe on time because the new RA punishes those who do not.
5. You continue to fall and get scraped up so you can live up to your name	2. You are retired but you go back to work so you can pay for hash cash
8. You Offer to be the walking hare but you Are too injured to do so but you do it anyway	3. You can't run or walk but you show up to drink at the prelube
9. You move away for years only to come Back because you missed hashing	6. You work 30 minutes east of Red Deer but you still make it to Prelube in Sylvan Lake
10. You Fake an injury just so you can come home and hash for the summer and fall and possibly winter	7. You've never set a solo run before but you take on the role of RA to save us from the tyranny of our last leadership.
