## Run 1252 - Nov. 14/24

Hares Lady Ms. Dazey and Mustang Sally  
Start: North of Memorial Centre

Scribe: Crash Test Rummy

I knew there was trouble when the hares  
marked the trail on the left, so I thought I'd  
write a song about the run.  
I call it

### Walking hares set a running trail

I see 2 walkers set a hash trail  
I see the markings on the left  
I see the hares are pointing 'that way'  
I see we went the other way

*Don't go run tonight  
Well it's bound to take your life  
The hare is standing on the check*

I hear hashers yelling 'onon'  
I know the end is far away  
I fear that we may lose some hashers  
I hear the voice of rage and ruin.

*Don't go run tonight  
Well it's bound to take your life  
There's a bad moon on the rise*

Hope you got your things together  
Hope you are quite prepared to die  
Looks like we're in for nasty weather  
One eye is taken for an eye

*Well don't go run tonight  
Well it's bound to take your life  
There's a bad moon on the rise*

*Don't go run tonight  
Well it's bound to take your life  
There's a bad moon on the rise*

*Crash*
