## Run #1257 – December 19<sup>th</sup>

**Hare: TNT**

**Scribe: DKD**

It was some days before Christmas  
And all through Bower  
Committed hashers were wondering  
Following trails of flour

The prelube was a bust  
As the venue was closed  
But hashers united  
At a location that wasn't disclosed

The circle up was called  
And the RA was surrounded  
With 11 brave hashers  
Where winter clothes abounded

Markings were bright red  
And on the right side  
The walkers had a map  
The runners were astride

The light show was fantastic  
And we all enjoyed the cheer  
But wait the runners  
Overtook the walkers and even the deer

Through ice and snow,  
fences and creeks  
The hashhold was found  
And we were in for a treat

Christmas cheer we found  
In the hatch decorated  
With hot chocolate, treats  
Santa was creative

With wonder in our eyes  
And our bellies full of yum  
On in was called  
Which ended our run

Circle included some  
Very cold slushies  
Punishments were dolled out  
Which caused head rushies

Short and sweet  
Was the night  
Leave it to TNT  
To do it right!

Attendees: Broken, DKD, Pucker, Moby, Grabbin,  
Comes ½ way, Trevor, Cum See, Slippery, Crash,
