And off we went to bust some hymens. **Cum Liquor Snatch** was all padded up, must have still been sore from bringing forth **Cum Honour** into this virgiverse. **Virgitron** was following pure white flour when all of a sudden an X appeared.. POP! Goes the Virgin! **Virgincest** took a wrong turn down a very wet path.. POP! Goes the Virgin! **Virginuffolufogus** was ran over crossing the street.. POP! Goes the Virgin. Indubitably we came to a talking bush where the wankers collected various herbs, twigs and berries for our final circle, but all they found were

Syringes and old underpants which were enjoyed among the other cuntsumables. At circle, the virgins still intact were Popped accordingly and the sacred Sleeve was presented ALL HAIL THE SLEEVE!
