Bad Thursday!

What a glorious, holy holiday to celebrate with all your favourite drunks!

This divine day blessed us all lowly human forms being taken on a (double) vision quest by two Jesus' ... wait, they're TWO?

One to lead (**Dick See Cup**) and one to carry the cross (**Cum Honour**) ?!

How heavy a heart must they have to split their duties like this for the betterment of (drunk) man. Also, to look cool, or something.

After consuming the holy grail of draft beer and bar nachos, the large group of costumed sinners were swiftly lead through the Trail of Beers, stomping our feet through pathways, harmoniously yelling His Lord and Saviour's chants "On On!", "Checking!" and "Oh fuck, I fell!" (**Wet Spot** slid down a hill for style, totally on purpose)

Naturally, as Jesus was a carpenter, we were lead mostly through wood-dense trees, likely to keep thine Jesus' humbled, and remind them of simpler times.

Once we gathered to the light and nearest parking lot, Leader Jesus (**Dick See**) Declared a Easter Egg Hunt, claiming divine treasures inside.

The lucky ones catching these eggs opened them to reveal the best gift of all... Jesus himself! The Two Jesus' must have been breeding because these were tiny baby versions of them! Didn't know Jesus laid eggs!

He was in our hearts that day and now we all must take care of his cloned(?) little spawn. It takes a village, right?

So Woke, Jesus'!!

With tiny fetus Jesus in our pockets, we treaded On and On to the end of the glorious journey, circling up, now carolling to Our Lord and Saviour's catalogue of show tunes about dirty whores, shame and chugging alug in unison to punish the Sister/Brother Hashers for their sins and remind them how much they fucked up.
Then back to the tavern for more debauchery.
We didn't sin enough, you see.

THE END.
PRAISE BE

Monthful of Runs

Run: 1266 – Apr 24th – Hare : Wet Spot, 103 Green Dr, ON ON Leah's Bar & Grill
Run: 1267 – May 1st – Hare Mount Me – Circle up – North End (exact location TBD)

Strange things are afoot at the Circle K (bonus survivor points if you can name the movie reference) and elsewhere in REDDEER.

The local Meth-heads' behaviour seems mundane compared to those infected by the quickly spreading Rage virus.

The Zombie apocalypse is upon us.
Grab your bug out bag and meet at Circle up and join the rest of the RDH3 Survivors. With any luck, you'll live to see the rest of the month.....

Run: 1268 – May 8th – Hare Whore Slayer
Run: 1266 – May 15th – Hare Dick See Cup
Run: 1267 – May 22nd - WLB
