Run: #1264 – 3rd April – Hare: I Like it Hard – Missing Scribe

Run #1266 – 24th April 2025

Hares: Wet Spot

Scribe: Crash Test Rummy

It was a small but enthusiastic group that showed up to hash this lovely evening.

Our illustrious RA, **Dick See Cup** called circle up. Introductions were made and trail markings explained to Bernard's virgin **Alex**. We were on arrow and all nine runners narrowly missed the fence it was pointing to. **Lady Pucker Sucker** and **Sir Mobeys of Dickus** were FRBs, but where were they going? Flour was plentiful we were told but it must have disappeared like Cum Honour's imaginary friend and co-hare. **Crash Test Rummy** and **Slippery When Wet** soon found the real trail and we were off again following imaginary flour from the imaginary friend.

Luckily **Lady Cum See My Box** showed up just in time to walk with **Mount Me** or she may have been lost forever.

Wet Spot tried to recruit our most enthusiastic hasher to date, but alas she was only nine years old and the end of the street was as far as she was allowed to go.

We finally all came together at the Hash Hold for some fine refreshments.

We had a naming this fine evening. Bernard shall for now and for evermore be known as **Cum Shot**.

Monthful of Runs

Run: 1267 – May 1st – Hare Mount Me – Circle up – North End (exact location TBD)

Strange things are afoot at the Circle K (bonus survivor points if you can name the movie reference) and elsewhere in REDDEER.

The local Meth-heads' behaviour seems mundane compared to those infected by the quickly spreading Rage virus.

The Zombie apocalypse is upon us.

Grab your bug out bag and meet at Circle up and join the rest of the RDH3 Survivors. With any luck, you'll live to see the rest of the month.....

Run: 1268 – May 8th – Hare Whore Slayer

Run: 1269 – May 15th – Hare Dick See Cup

Run: 1270 – May 22nd - WLB
