The Wreck of Whore Sleighter's Run

We met at the top of McKenzie trail
Nineteen hashers were there
Among that crowd were two virgins
And **Whore Sleighter**, he was the hare

Likes It Hard made **Sarah cum**
The other virgin was **Melanie**
She was a cop from way up north
And of course, she came with **Mount Me**

Mount Me was chosen as the walking hare
Whore Slayer thought she was all knowing
I don't know why he chose her
Because she didn't have a clue where we were going

We headed down trails through the woods
Some of it was really steep
We had so much fun and we laughed but I cried
When they kept making fun of my sheep

We had a re-group at a homeless man's bed
It was here the walkers would wait
The bed was just a piece of junk
It fell apart under **Mount Me's** weight (not mine)

At the Hash Hold we had to search for the swill
Because it was hidden in the woods
Thank God it didn't take too long
Before **Don't Know Dick** came up with the goods

We stood around drinking, enjoying the swill
We have so much fun with this hash
Then all of a sudden from the top of the hill
A biker flew past in a flash

After a while **Dick See** called "On In"
Where I was shocked to hear **Curb Crawler's** voice
Then the bugger took the very last Keith's
And I had to drink President's Choice

We then circled up, and punishments given
Whore Sleigher, out of the sleeve he drank
I'm sure there were more but I know **Boner, Mount Me**
And **Likes It Hard**, drank from the plank

The On On was down at Murph's
Where we always have so much fun
The ribs here are always so good
After another great run!!!

Thanks Whore Sleigher!!
