Sylvan Lake Run (Jarvis Campground)

There were a lot of people at this week's run considering it was in another city. But we all pretend to love **DSC** so we came. The prelube was at **BP** in case any of you missed it. **PS, SWW, CTR, CC, TNT, WS, CH, and MOD** were all in attendance.

Of course we had a few more join us at the run. **CSMB, DKD, BB, SCAL**, Virgin Caley and the newly named **CI** (applause applause, woo woo!!!) were all there. You will have to join us next week to find out who that is and what his or her name is. **CC** did not come to the run.

The usual walkers led by **DKD** got lost. I blame the visiting **SCAL** for distracting her. And the naivety of **DSC** thinking they could walk that far.

The 10K run was not out of the ordinary for **DSC** but for the rest of us it was a bit of an ordeal. The scenery and soft trail, however, made it all doable. I think. You all think I'm being sexy and mysterious but we just celebrated May long weekend so I don't really remember a lot about it. I think there was a hash hold and a **ONON** but I can't be sure.

TaTa for now. See you at the next run.
