Scribe in Time

On the May 22nd run **Wee Little Bladder**, **TNT**, **I Like it Hard**, **Cum honour**, **Wet Spot**, **Ms Daisy**, **Lady Pucker Sucker**, **Crash Test Rummy**, **Slippery When Wet**, **Whore Slayer**, **Sir Cums A Lot**, **Cum See My Box**, and **Dick See Cup** were in attendance. There were no virgins as it's hard to get people to hang out with this lot. **Wee** explained the trail markings and **Whore Slayer** stepped in as the running hare. **Wee** had us start on a checking, there was an arrow, but we were told it lied and the runners confidently ran in the wrong direction. Off to a slow start we returned to the checking point and started again. The next obstacle was a bridge that ran out of boards half way, in **Wee**'s defence, he did mark the trail beside the bridge, but some of the braver hashers chose to walk the balance beam to the other side, to discover another false trail. "**Wee** you ignorant Slut," exclaimed **Slippery**. This phrase was uttered many more times as we proceeded to go down every false trail.

There is photographic evidence attached that the walkers encountered a deer on trail. The running group saw no wild life, but did spy three shopping carts.

When we reached the hash hold **Dick See Cup** mentioned that now that he knows it's okay to set 800 meter false trails we will have some to look forward to at his next run. Refreshments were enjoyed in light sun showers and we headed on in to the circle up.

At the circle up we learned a new version of El Camino, and **Cum See My Box** was punished for her late scribe. She escaped the sleeve but was given the dick cup and a lovely dick crown that **Cum Honour** mistook for a crown of middle fingers. All of the hashers except **Pucker Sucker** forgot it was a tutu run, and **Dick See Cup** was punished for this as well. All in all it was a fantastic night.

On On.
