Run 1285 Sept 11th

Hare: Cum see my box

Mountain Bike Park 7897 49th Ave

Scribe: Pussy Foot

Hashers **Gabby, Wet Spot, Cum Honor, I Like it hard, Cum see my box, Don't know Dick, TNT, Lady Pucker Sucker, Lady Ms Dazey, and Slippery When Wet & Pussy Foot** met at the Mountain Bike Park for Cum Honours first run as the new RA.

Cum Honor and **Wet spot** were “right on time”. The trail was set by **Cum See My**

Box, and **TNT** was the running hare.

The run featured a mix of terrain including grassy areas, hills, forested areas, wooden mountain bike paths and even a huge jump at the end which none of the hashers were brave enough to try (thankfully).

We also saw a dead hare on trail. RIP **Rabbit**.

At the hash hold many new songs were sang, thanks to the new song mister **Slippery**.

And many punishments and rewards were handed out by our new Swill Master **Wet Spot**. Our new RA has promised many sleeves in the upcoming year, but this time only the plank was brought out.

All in all it was a great run!
