Run: #1289 October 9th

Hare: Can't Cum

Location: Mr Mikes in Sylvan

Scribe: Cum See

8 were there in the Mr Mike's parking lot, kinda like an octopus.. or more appropriately for a dark October night, a spider.. The RA called us into order, and introduced a virgin, **Alec**. Who said when asked that all important question: I came by myself..... Alrighty then, that's pretty personal for the first 5 minutes of knowing you, but ok.... We all noticed that there was an abundance of cumming related names while ourselves! **Cum Honour, Can't Cum, Cumsee, Cantilingus, Wet Spot, Pussyfoot** and **Dicksee Cup**.

Trail was demonstrated by **Dicksee Cup**, proving that he was paying attention when his partner **Can't Cum** set trail. Upon learning that there was only one walker, **Cum Honour** decided to miss the fun and join me in a ramble around Sylvan. **Dicksee** thoughtfully provided a very good map of the walking trail and we enjoyed a fast walk around upcoming and new areas, occasionally finding flour but no marked checks. We spent some quality time with lots of dogs, enjoyed a park or two, and found our way to **DickSee /CC's** deck. The runners slowed up 5 minutes later, then back for a few down downs and many punishments.

- **Alec** for not acting like a virgin and for waving his flowing locks at every opportunity and knowing more lyrics than **Pussyfoot**
- **Cantilingus** for doing a header over an invisible wire and for doing every single false trail, even when called back by the hare
- **Can't Cum** for letting **Dicksee** take credit for her work
- **Pussyfoot** for not knowing any hash song lyrics
- **Wet Spot** for obviously enjoying the evening much earlier than the rest of the pack
- **Cumsee** for following a map correctly

All in all a great run, it sucks that the rest of the pack needs to get a life!

OnOn,
Cumsee My Box
